

2017 Cameron Express (One-way Daily shuttle)

This shuttle is most commonly used for hikers to access the Carthew-Alderson Trail, a one-way hike beginning at Cameron Lake and ending in the Waterton village.

It is also a good way to access Akamina-Kishinena to bike the Wall Lake trail before cycling down the Akamina Parkway back to the village.

Cameron Express shuttles operates from **mid-June to end of September** (weather and trail condition dependent).

Reservations are required for hikers and especially mountain bikers. We have a maximum capacity of six bikes.

2017 departure times will be **7:30 AM** and **9:00 AM**
Cameron Express ticket is **\$15 CAD + tax**.

Cameron Express departures at other times are available as a custom shuttle departure.

Custom shuttle prices are **\$65 CAD + tax** (covers a **maximum of four** passengers) and **CAD \$15 CAD + tax/person** for each additional passenger.
